## JAMAICA – OUR ISLAND, SEVERAL DESTINATIONS

Jamaica is blessed with some of the most picturesque land and seascapes in the world. Here, you can experience a wealth of natural wonders, from intricate coral reefs, to miles of white beach, cascading waterfalls, coastal plains and the famous Blue Mountains - home to the best coffee in the world.

### KINGSTON

Often referred to as “the heartbeat of Jamaica”, Kingston is considered the business and cultural capital of the Caribbean. The area is home to many thriving educational and entrepreneurial institutions as well as numerous entertainment and recreational facilities. Access to the area is made easy through the Norman Manley International Airport, the Tinson Pen Aerodrome, and a healthy road network.

### MONTEGO BAY

The “complete resort”, Montego Bay has all the very best that Jamaica has to offer including five (5) championship golf courses, boutique and luxury hotels, themed restaurants and gaming lounges as well as picture-perfect white sand beaches. Montego Bay is home to the Hip Strip – a full mile of restaurants, entertainment, shopping, fun and excitement.

### NEGRIL

The quintessential “kick-your-shoes-off, do-as-you-please” resort area with its laid-back atmosphere and picturesque sunsets, Negril is Jamaica’s most westerly of resort areas. Dubbed the “capital of casual”, Negril is a popular getaway for those who want an escape from the daily grind – it is the place to pack a bag and run to.

### OCHO RIOS

The “centerpiece of Jamaica”, Ocho Rios provides a range of activities from golf to water sports to equestrian and soft adventure activities. The area is approximately equidistant between the island’s two cities – Kingston and Montego Bay, providing excellent access from both international airports. The birthplace of Bob Marley and Marcus Garvey, Ocho Rios offers a variety of cultural experiences – Marley’s mausoleum at Nine Miles, ReggaeXplosion and Seville Heritage Park all help to chronicle Jamaica’s experience in story and song.

### PORT ANTONIO

The picturesque eastern end of the island has a special allure for those who enjoy the calm peace of an English countryside framed by the majestic Blue Mountains and azure Caribbean waters. Port Antonio is quiet, quaint and intimate with its homely villas hidden in forested nooks and waterfalls gushing from the hillsides into serene rivers. One visit and you’ll understand why we say Port Antonio, naturally.

### SOUTH COAST

Small intimate communities, rustic, comfortable inns, fresh produce and provisions are images conjured by the island’s South Coast. The eclectic “off the beaten track” resort area is the cradle of the island’s community based tourism initiatives.
